DISTRICT 6780

District Governor John Bailey & Martha

Volume 1
Issue 5

November 2004

FOUNDATION MONTH

Martha and I have finished our Official Visits and our tour of the District. We thank each club in the District for making each visit a pleasure. Your hospitality was wonderful and the experience of viewing first hand the tremendous impact each club makes on its community will never be forgotten. Martha and I only wish each of you could have accompanied us on the tour to be an eyewitness to this “service above self” effort.

This month all of us will focus on the “Foundation of Rotary International” as RI has declared November “Foundation Month”. This is especially exciting this Centennial year as we introduce our District 6780 STAR Program that will recognize each club that donates an average of \$100 per Rotarian. It is with great pleasure that I announce that the Rotary Club of Winchester on November 3 became our first STAR Club. Their leadership is greatly appreciated and I am sure will lead to a whole galaxy of STAR Clubs.

This month's Newsletter features articles on the Foundation by Carol LaRue, Chair of our District Foundation Committee; the experiences of a Rotary Cultural

Scholar by Jill Lada; the STAR Program by Townes Osborn; and the Paul Harris Sustaining Member Program by Bill Hackemann.

Next month you can look forward to articles on the Bomar Interact Foundation by Winston Wallace; our District Community Service by Committee Chair Jim Taylor; an article on the Alcoa club's 94 year young song leader Brut Crow; the Morristown AM club's Christmas project; the Etowah club's Halloween project; the Fayetteville club's Toy project; the McMinnville Breakfast club's Interact Club and many more.

It is exciting to see our District Newsletter become the Newsletter of the Clubs of District 6780 as each club will be contributing one or more articles during the 2004-2005 year. Keep watching for an article from your club.

In Memory

Nelson Forrester

Nelson Forrester

Fellow Tullahoma Noon Rotarian and retired attorney Nelson Forrester passed away on Sunday, October 31. He had been a member of our club since 1971 (33 years) and Past-President in 1984-85. He was also a multiple Paul Harris Fellow (3 times). Visitation will be at the Tullahoma Funeral Home, 401 Westside Dr., 5-8pm on Tuesday.

A recent Tullahoma News article on Nelson and his relationship with Motlow College can be found at the following link:
http://www.zwire.com/site/news.cfm?newsid=13043599&BRD=1614&PAG=461&dept_id=161052&rft=6

Nelson is survived by his wife Gerri, children Christine, Nelson Jr., Andy and Becky, and 7 grandchildren. Please keep the family in your prayers.

Jim Phillips

It is with great sorrow that our district mourns the passing of Jim Phillips of the Etowah Rotary Club. He passed away on Saturday. Jim was a great friend and he will be missed greatly by fellow club members.

STAR CLUB PROGRAM LAUNCHED!

Because the Rotary Foundation is YOU... the trustees have asked EVERY ROTARIAN TO GIVE \$100 EVERY YEAR to support Rotary's incredible humanitarian and educational programs and projects.

Therefore, our District 6780's goal is \$360,000. But, to reach this goal, each Rotarian...and each and every club must do its part. This year (and henceforth)...each club that contributes an average of \$100 per member will be designated as a STAR CLUB. In order for clubs to be recognized at the District Conference next April 22-24, 2005 all Rotary Foundation donations must be turned in by the end of March 2005. (Clubs that miss the deadline, but meet the goal, will be listed with the inaugural STAR CLUBS on the District Directory and on the District's web site. Because interest rates are so low...there is no good reason for a club to hold its contributions. Go ahead and send them in.

District Governor John Bailey will begin announcing STAR CLUBS as each club lets me know that their contributions have been sent to the Rotary Foundation. (No. of club members X \$100= Star Club) In order to encourage your members to work

as a team, clubs should put a measure on display showing the club's goal and how close the club is to becoming a STAR CLUB. Members who contribute \$100 or more should have a gold star on their badges. (These small gold stick-on stars are available at any school supply store).

Club members who help the club reach its goal need to be thanked and recognized. There should be a person in each club who gives a STAR CLUB status report at every meeting. This is an excellent year to encourage members to "bite the bullet" and become a PAUL HARRIS FELLOW...and for those members who are PAUL HARRIS FELLOW to keep on giving and become a Multi-Paul Harris Fellow.

If you have any questions...or when you reach your STAR CLUB goal...please let me know. Our District is launching the STAR CLUB program...and the rest of the Rotary world is watching...

Let's all work together and light up the sky with 64 STAR CLUBS that support the programs and projects that build goodwill, understanding among all mankind, and peace.

What a privilege it is to be a Rotarian!

Fairfield Glade Annual Golf Tournament

On July 17, 2004 the Fairfield Glade Rotary Club held its third annual Father / Son / Daughter golf tournament at the Bear Trace golf course in Crossville. This is one of our clubs main fund-raisers. This year we had eighty golfers participating in this event. Sons, Daughters, Grandsons, and Granddaughters made up the teams. It was a great family event. As a result our club raised over \$10,000 which has been donated to Hospice, Battered Women and various charities.

Rotary Scholar Abroad

Greetings from Dresden Germany!

What a wonderful cultural experience I am having here in East Germany – Many Thanks!

Although I am the only Rotary Scholar studying at the Goethe Institute in Dresden, I am having the opportunity to make friendships with people from all over the world. There are three students in particular that I have made long lasting relationships with because they are unique like me in that they are studying for three months instead of only one. The students are from Lebanon, Italy, and Canada. I am not only learning about the German culture but also several others.

Currently I am living with a German host family. The family has four young children making it easy for me to practice speaking since our vocabulary is nearly identical. In August I was able to pick what country the other student living with my host family was from. I chose a girl from Japan since it was my experience in July that most of the Japanese students do not speak much English. My living arrangements have proven to be an excellent match.

I have been taking advantage of the size of Germany and the proximity of other European countries. In July I spent seven days traveling all over Germany from East to West and North to South. It is fascinating still today to see the differences between former East Germany and West Germany. So far, my favorite German town is Rothenberg. During my next break from school, I am traveling to Poland for 5 days. I have also visited the Czech Republic and Sweden; I hope to visit Budapest in September.

As the Executive Director of Keystone Adult Day Program in Oak Ridge, I am particularly interested in the aging social service system here in Germany. My German Rotary counselor, Herr von Vogel, has been instrumental in arranging contacts for me with state health care directors and assisted living and nursing home administrators. I will be anxious to share my comparisons when I return home to the states.

Again, thank you for such a wonderful experience!

INTERACT IN HUNGARY

Dear Fellow Knoxville Rotary Friends,
I am writing to share some of what I experienced last week in Hungary. Believe it or not, I traveled to Hungary (for the 16th time!) to celebrate and be on hand for the Charter Ceremony of the Mateszalka Interact Club, the 1st Interact Club in Hungary. It was a grand occasion. During the ceremony the Interact President, Reka Podolyak, signed a "contract" with the city's Senior Service Center that committed the new Interactors to help elder members of the village every week. On your behalf I gave each of the 24 new members an Interact pen, decals, a copy of the Rotary Centennial book for the club presidents to share (worth reading and can be ordered from RI Headquarters via the web site for \$25.00) The large Interact banner the club sent last summer hung on the wall. In addition, the Mateszalka Interact club is excited about raising funds and in order to help underwrite building a new play yard, including a basketball court, on the grounds of the school for the areas' special needs children, about 50 of whom reside in the local orphanage (i.e. Mateszalka Children's Home).

The new Interactors will be working side by side this summer on this play yard project with the members of their Twin Club at Knoxville Catholic High School. Both clubs will raise funds throughout the year, and our club will match what they raise. There were teenagers from 11 countries attending the Charter Ceremony and representatives from Rotary Clubs across Hungary. Several attendees said they were inspired to go home and start "such a fine club for their own teens."

Would any of this have happened without the partnership we have with the Mateszalka Rotary Club? I doubt it. And, predict there will be a dozen Interact clubs in Hungary in a few years. Only nine years ago there were 12 Rotary Clubs. Today there are 34..and the goal is to have 40+ clubs soon and an all Hungarian District.

Our Twin Club partnership with Mateszalka has really helped develop Mateszalka into an extraordinary club...and it has also enriched the lives of our own club members. Working together, we have made a BIG difference for so many children. When I visited the Mateszalka Children's Home last Wednesday, I

delivered a check for \$1,500 from the Tour de Tridea II participants for three washing machines (early Christmas gift)..because we learned last May that these were really needed..along with many other basic needs many of us take for granted. I also delivered a special letter from Doug and Jeannine McKamey to a young orphan named Laszlo. He was thrilled. (Doug and Jeannine met Laszlo last May and were impressed with his artistic talent.) This was the first time Laszlo had ever received a letter. Of course I had to try to explain what the photo of Doug and Jeannine in the UT Sky Box was about. Still not sure "football" registered.

Next great highlight was visiting the foundry where our Centennial Sculpture was being cast. News of my pending arrival meant several of the workers stayed up "late" to have everything ready.

The finished work is truly a work of art, and I think all Knoxville Rotarians will be pleased to have made such a significant contribution to the city..and the world!

I spent a lot of time with the sculptor Lajos Biro and his wife Sirpa. They are wonderful and fun. Lajos hopes he has a chance to go fishing when he visits Knoxville for the dedication. I took a

"Spiderman" costume to their precious, almost 7 year old son, Ville and his mother told me he really liked it."The only 'Spiderman' in Mateszalka. He also slept in it!"

The hospitality of the Mateszalka Rotary families is nonpareil. I ate too much...drink a little too much (especially Unicum and Tokaj), laughed a lot...and tried to improve my Hungarian, which is hopeless. I now know 16 words, after 16 trips. and can only pronounce half correctly. They appreciate my efforts. "You try so hard.Now...try some more."..Oh well..At least we can all be assured that in the northeast corner of Hungary...there is a small town called Mateszalka..and the people there have much affection for their American Rotary twins..and vise versa. So, here's to Rotary...and working together to make the world a little better for all children!

Egeszsegedre!

Townes
Jill Lada

DISTRICT 6780 ABC's OF HUMANITARIAN GRANTS

WHAT IS THE HUMANITARIAN GRANTS PROGRAM? The Rotary Foundation's Grants Program assists clubs and districts in developing international and local service projects and uses Foundation, district and club monies to fund them. The Grant Program is a wonderful way for Rotarians, clubs and districts to get more involved in your community and in the world.

HOW MANY KINDS OF GRANTS ARE THERE? Beginning with Rotary Year 2004/2005, there will be three primary kinds of grants:

Matching Grants, which support Rotary clubs and districts as they implement short-term humanitarian projects with the aim of sustainable development;

Individual Grants, which subsidize travel for Rotarians, Rotaractors and qualified Foundation alumni for qualified international humanitarian service in Rotary countries for up to 90 days; and

District Simplified Grants (DSG), which provide money for clubs in our district to implement humanitarian projects locally or internationally.

HOW DO GRANT PROGRAMS WORK? Matching Grants and Individual Grants are TRF administered programs. Clubs initiate requests to support projects they want to undertake. The grant requests flow to TRF through the District Grants Subcommittee. TRF makes the decision to approve or deny a request. District Simplified Grants are administered by the District Grants Subcommittee. DSG's are the simplest and easiest grants to use, and clubs are encouraged to make a DSG project a part of each Rotary year. .

THE GRANT STRUCTURE HAS CHANGED, WHY? TRF Trustees want to simplify the entire grants program, so beginning Rotary Year 04/05 there will be only three primary categories of grants: Matching, Individual and District Simplified. The effort is to push control and decision-making for grants down lower in the Rotary hierarchy and get District Rotary Foundation Committees more involved in the grant work

WHERE CAN I GET MORE INFORMATION? More information on all grant programs is available at www.rotary.org or by contacting Grants Subcommittee Chair, Dick Bowers at ambbowers@aol.com, or (865) 681-9858.

History of The Rotary Foundation

From www.Rotary.org

In 1917, Arch C. Klumph, Rotary's sixth president, proposed to the Rotary International Convention in Atlanta, Georgia, USA, the creation of an "endowment fund for Rotary . . . for the purpose of doing good in the world in charitable, educational, and other avenues of community service." A few months later, the endowment received its first contribution of \$26.50 from the Rotary Club of Kansas City, Missouri, USA.

In 1928, when the endowment fund had grown to more than \$5,000, the fund was renamed The Rotary Foundation, and it became a distinct entity within Rotary International. Five Trustees, including Klumph, were appointed to "hold, invest, manage, and administer all of its property. . . as a single trust, for the furtherance of the purposes of RI."

Two years later in 1928, the Foundation made its first grant of \$500 to the International Society for Crippled Children. The ISCC — created by Rotarian Edgar F. "Daddy" Allen — later grew into the Easter Seals organization. The Great Depression and World War II both impeded significant growth for the Foundation, but the need for promoting a lasting world peace generated great post-war interest in developing the Foundation.

After Rotary founder Paul P. Harris died in 1947, contributions began pouring into Rotary International, and the Paul Harris Memorial Fund was created for the purpose of building the Foundation. That same year, the first Foundation program was established — Fellowships for Advanced Study, which was the forerunner of the Rotary Ambassadorial Scholarships program. Then in 1965-66, three new programs were launched — Group Study Exchange, Awards for Technical Training, and

Grants for Activities in Keeping with the Objective of The Rotary Foundation, which was later called Matching Grants.

The Health, Hunger and Humanity (3-H) program was launched in 1978, with the Rotary Volunteers program being created as a part of 3-H in 1980.

The PolioPlus program was announced in 1984-85, and the following year saw the introduction of Rotary Grants for University Teachers. The first Peace Forums were held in 1987-88, leading to the establishment of Rotary Peace Programs. Then in 1989, 1963-64 RI President Carl P. Miller and his wife, Ruth, donated US\$1 million to establish the Discovery Grants program. Throughout this time, support of the Foundation grew tremendously.

[Arch C Klumph, 6th Rotary President](#)

Since that first \$26.50 donation in 1917, the Foundation has received contributions totaling more than \$1,000,000,000. More than \$55,000,000 was donated in 2002-

03 alone. To date, some 726,000 individuals have been recognized as Paul Harris Fellows — that is, someone who has contributed \$1,000 or has had that amount contributed in his or her name. Such strong support and involvement of Rotarians worldwide ensures a secure future for The Rotary Foundation as it continues its vital work for international understanding and world peace.

District 6780 led it's Zone 30 as the Zone's biggest contributor to The Rotary Foundation. As well, your district led the Zone with the largest per capita amount. Congratulations, District 6780. Every Rotarian Every Year is a commitment many have made in our district. With this success more things can be accomplished for our world.

JUST ASK

In an effort to improve our support of The Rotary Foundation, the 1997-1998 Board of Directors of the Rotary Club of Shelbyville asked the club's Rotary Foundation Committee to submit a plan for the Board's approval. Early in 1999, a plan was submitted and approved. It then became the committee's task to implement a plan that was considered to be difficult. However, the committee decided to "Just Ask" each member for their support. To their surprise, 80% of the membership said, "Yes!" Immediately. With this great start, it was easy to convince the remaining 20% to join.

It is a simple plan. Each member is "Just Asked" to add \$10.00/month to their club dues. Therefore, in one year, every member would be able to become a PHSM. Also, with our matching fund program, a member could become a PHF in record time.

Over the years, we have improved our program by continuing to "Just Ask". This program is now included in the induction process of every proposed member. During the pre-induction meeting, each proposed member is

"Just Asked" two questions:

1. May we add \$10.00/month to your club dues in support of The Rotary Foundation?
2. May we match your \$50.00 to make you an immediate PHSM?

The Rotary Club of Shelbyville is now pleased to report that:-

1. We have added 32 new PHFs to our Paul Harris Fellow Honor Roll and are continuing to add at a steady pace.
2. Every member is now donating \$120.00/year in support of The Rotary Foundation.

Our secret:- "JUST ASK".

POLIOPLUS PARTNERS

by Jill Lada

PolioPlus Partners is a Rotary Foundation Program by which Rotary clubs, districts and individual Rotarians may voluntarily assist in reaching Rotary's goal of a polio-free world. They support the immunization activities of Rotary and its world-wide partners, World Health Organization (WHO), United Nations Children's Fund (UNICEF) and the U.S. Centers for Disease Control and Prevention (CDC) by keeping Rotarians informed of progress, promoting accurate media coverage, volunteering in National Immunization Days (NIDs) and providing needed resources in regions with, or at risk, for polio. Contributions to PolioPlus Partners helps purchase vaccine carriers, identification apparel for those giving immunization, provides announcement pieces to the community, and provides support to those volunteers who give of their time and energy to provide an area immunization. Many clubs in District 6780 are adding this cause to their budget and continuing to support this effort. District 6780 has contributed funds from our District Designated Funds (DDF) to PolioPlus Partners. For more information about how to participate contact Ron Blankenberg, District 6780 Chairperson for Polio Eradication. Phone (423)855-2828 email blankerg@erlanger.org.

In Bangladesh, the PolioPlus Partners Program bought posters that announced polio National Immunization Days.

Humanitarian Grants District 6780

Grants Program in District 6780

The Humanitarian Grants Program of The Rotary Foundation provides grants to Rotary clubs and districts to implement humanitarian projects. There are several grant types that address different service needs and funding options.

The following grants are available to support these endeavors.

* District Simplified Grants: A tool for Rotary districts to support short-term, humanitarian projects that benefit the community.

* Individual Grants: Subsidize travel of individual or small groups for qualified international humanitarian service in Rotary countries for periods up to 60 days.

* Matching Grants: Support international service projects involving Rotary clubs or districts in two or more countries.

* Health, Hunger, and Humanity Grants (3-H): Awarded to fund long-term, self-help, and grass roots development projects which are too large for one club or district to implement on their own.

* Blane Community Immunization Grants: Help clubs and districts in the United States address disease immunizations in their local community.

Grants Chairperson for District 6780 is Dick Bowers, (865)681-9858 email ambbowers@aol.com. Dick and his committee stand ready to assist you as you consider how you will fund your local projects or how to tap into the funds from Foundation to accomplish an international project. District Simplified Grants(DSG) forms are available on our district website. Contact Dick today. Funds are still available for this Rotary year 2004-2005.

Children show their appreciation for Matching Grant 18953, which provided aid to hospices in Thailand.
